**Re: Teaching experience - Dr Hassan Mumtaz**

I can confirm that Dr Hassan Mumtaz has worked in collaboration with one of our colleagues in the planning, design and organisation a teaching module focused on Clinical Audits. This was delivered to an international audience of Pakistani doctors (virtually) on 16<sup>th</sup> and 17<sup>th</sup> of November.. This module was comprised of 4 sessions, namely:

- Introduction to Clinical Audits
- The Audit Proposal
- The Audit Report
- Audit presentation/posters

Dr. Mumtaz has gained formal feedback for these teaching sessions.

I wish him all the best for the future.
